Good morning, Bethany:

Thanks again for your time on the phone yesterday afternoon. I very much appreciate your candor and outlook.

Anyway, as we discussed, attached are the comments we sent to ADEQ regarding RID's proposals. I hope to be able to get a letter to you shortly in which we'll request on our and others' behalf a meeting with Mr. Takata and you all to discuss the points of views of those whom RID has threatened to sue.

Subject: Roosevelt Irrigation District Early Response Plan - Comments of Air Liquide Specialty Gases, LLC

Dear Director Gumbles:

Air Liquide Specialty Gases, LLC, has been working with the parties with whom you and your staff met on November 3, 2009, at which meeting you indicated that ADEQ would entertain comments those parties may have concerning the Roosevelt Irrigation District's Draft Early Responses Action Work Plan and Groundwater Response Action Implementation Plan. We have submitted our comments to Ms. Thies and Ms. Riemenschneider of your staff, and I have notified Ms. Thies that we would be forwarding directly to you those comments.

We hope you will give our letter and comments, and the comments other parties have submitted, your full consideration.

Thanks for your time.
